## EXPERIENCE

### **Disneyland Resort, Anaheim — Attractions Cast Member**

October 2017 - August 2019

Provides personable guest service to a diverse guest base, while upholding company-wide standards.

Demonstrates strong problem solving skills when confronted with guest requests and ride operation issues.

Strives to ensure safety and create memorable experiences through guest control and interaction.

### **Sigma Delta Sigma, Irvine — Publicity Chair**

September 2018 - Present

Managed logistics and event planning for events.

Designed flyers using Adobe Photoshop. Advertised the events through social media and reached a wide range of the UCI student body.

Upkeeps the organization's social media (Facebook, Instagram, official website).

### **Mental Health Commission, Irvine — Intern**

September 2017 - June 2018

Contacted local businesses to participate and sponsor the event in a professional manner.

Worked on the events logistics team and created budget proposals.

Publicized events through social media in order to promote to UCI students and Irvine residents.

## EDUCATION

### **University of California, Irvine — B.S Informatics**

September 2015 - Present

Specialization in Human-Computer Interaction.

Minor in Linguistics.
